

Chemdata[®]

This is what a sample of our customers see as the main benefit of Chemdata[®]

“Easy to use, fast in the event of spillages, no waffle, gets to the specific issues on any product - in fact it is wonderful.”

Ali Karim, Managing Director, Hazchem Network

“One stop shop for advice”

Chris Harding, Hazmat Officer, Surrey Fire and Rescue Service

“Fast, accurate and only good resource that provides both EAC as well as APP codes”

Kenneth Newton, Hazmat Officer, Saudi Aramco Fire Protection

“Having the information available for everyday use as well as for incidents and emergencies.”

Andrew Butler, Emergency Responder, British Energy

“Comprehensive search options / properties / wild cards”

Jim Patrick, Comms Officer, Lancashire Fire and Rescue Service
